

Legal Media 360 Awards Report

Indonesia

Introduction

Legal awards acknowledge the market recognition of a law firm and lawyer's success, ability, effort and, above all, excellence.

While rankings consider the accumulation of a firm or lawyer's efforts year-on-year, awards represent the achievements of firms or lawyers during the past 12 months. Awards can be viewed as being more significant than rankings because being shortlisted or winning an award means a firm or lawyer is one of a very select number of parties considered to be "the best".

Legal Media 360's Awards Reports consolidate the nominations and winners of the most reputable international and regional awards, showcasing the top performers by jurisdiction.
