Legal Media 360 Awards Report

Philippines

Introduction

Legal awards acknowledge the market recognition of a law firm and lawyer's success, ability, effort and, above all, excellence.

While rankings consider the accumulation of a firm or lawyer's efforts year-on-year, awards represent the achievements of firms or lawyers during the past 12 months. Awards can be viewed as being more significant than rankings because being shortlisted or winning an award means a firm or lawyer is one of a very select number of parties considered to be "the best".

Legal Media 360's Awards Reports consolidate the nominations and winners of the most reputable international and regional awards, showcasing the top performers by jurisdiction.

Commentary: In 2022, four firms won at least one case/deal awards out of the 13 firms nominated firms. Case/deal awards mostly relates to significant cross border work and the low nomination to win ratio suggests Philippines law firms were not active in the most significant matters in the APAC region.

Lawyer Awards

In the 12 publications examined, a total of 44 lawyers from 22 firms were nominated for awards. 35 male lawyers were nominated, compared with nine female lawyers. The gender ratio of malefemale lawyer nominations is 80 to 20 percent.

Only Alejandro Alfonso Navarro from Villaraza & Angangco won an award.
